

Declaration of Consent to the Collection and Processing of Data by

- University Hospital Bonn, Institute of Pharmacology and Toxicology -

The collection and processing of the following personal data takes place as part of the registration process for the BATenergy Conference 2025:

- email address, gender, name, first name, date of birth, scientific position, institution, address, phone number

The data will be stored at the University Hospital Bonn for the duration of the purpose of data collection and can only be viewed by authorized persons. After the purpose has ceased to apply, the data will be deleted.

User rights:

The undersigned has the right to revoke this consent at any time with effect for the future without stating a reason. Furthermore, the data collected can be corrected, erased or its collection restricted as required. On request, detailed information on the scope of the data collection carried out can be demanded from the address below. A data transfer can also be demanded if the signatory wishes to transfer his or her data to a third party. In the event of data protection breaches, a complaint may also be lodged with the supervisory authority.

Voluntariness/consequences of non-signing:

Consent to data processing is voluntary. The undersigned has the right not to agree to this declaration of consent. As the collection and processing of data is necessary for the aforementioned purpose, the corresponding services subsequently cannot be used in this case.

Contact:

Complaints, requests for information and other concerns should be addressed to the following office:

University Hospital Bonn
Institute of Pharmacology and Toxicology
Venusberg-Campus 1
53127 Bonn

Responsible data protection officer:
